Dear Carmel

Draft New London Plan – Matters 14 and 16. Further submissions by Heathrow Strategic Planning Group (2478)

I attach electronic copies of two further written submissions in relation to Matters 14 and 16 from the HSPG, two paper copies of each have also been posted.

These are written submissions as the HSPG has not been called to appear at these two Hearing Sessions. However, we would be happy to do so if this would be helpful to the inquiry.

However, the HSPG will be appearing at the Hearing Session for Matter 87 (Aviation) and we intend to submit more detailed information at that time in our Hearing Statement; it may be that any matters arising at Matter 14 and 16 are best addressed then.

If you have any queries please direct these to: Michael Thornton – HSPG Spatial Planning Lead on 07933 715 615 or either of:

Yours sincerely
